OWASIPPE SCOUT RESERVATION

WINDUP '76

Another camping season is now history at America's Premier Scout Camp. Over 7900 scouts, leaders, family campers, and staff camped at Owasisippe in America's Bi-Centennial year.

We are proud of the record of service of the Owasisippe staff. You have all done an exceptional job and I highly compliment you. The results of your service will highlight many scouts' memories for years to come and will encourage more scouts to camp on this outstanding facility.

I trust that each Owasisippe Staff person will continue to serve Scouting throughout the year ahead and pass on the legend and experiences of America's Premier Scout Camp to all Scouts and Scouters you might come in contact with.

Thanks to each of you for a good year. Well done!

Ed Black

SPECIAL THANKS

The families of Staff Village and the Lake Cabins wish to express their appreciation to Janet Campbell, wife of Chaplain Alan Campbell, for co-ordinating lifeguard service at Staff Beach this year. Your thoughtfulness and dedication to a safe beach program is deeply appreciated.

Ed Black

A BUNDLE OF JOY!

In case you haven't heard - the stork made a stop at the Bevans household. Along with a bouncing baby girl, he delivered lots of cards and gifts. We would like to thank everyone at Owasisippe for their thoughtfulness. And a special thanks to those who baby-sat Tressa and Jason.

Everything was greatly appreciated and will always be remembered. Thanks again.

The Roger Bevans Family

OWASIPPE COOK BOOK

For over two years we have been compiling recipes for a special Owasippe cookbook that will be offered for re-sale in the trading posts next year. We encourage you to submit your favorite recipe for inclusion in this book. Deadline for receiving recipes will be October 1, 1976.

Ed Black

1977

We're happy to report that over 200 site reservations have been received out of a possible 520 for the 1977 season. This is a great accomplishment on behalf of the Commissioners and Camp Directors.

Staff members desiring to be considered for 1977 positions must file an application prior to November 1, 1976. Staff interviews will be held the first Saturday of November and the Saturday following Thanksgiving. 1977 Directors will be announced in October.

FINAL TREE

As The Tree goes to press for the last time this summer, I'd like to thank all the people who contributed articles. We would not have a Tree without them.
